ABOUT US

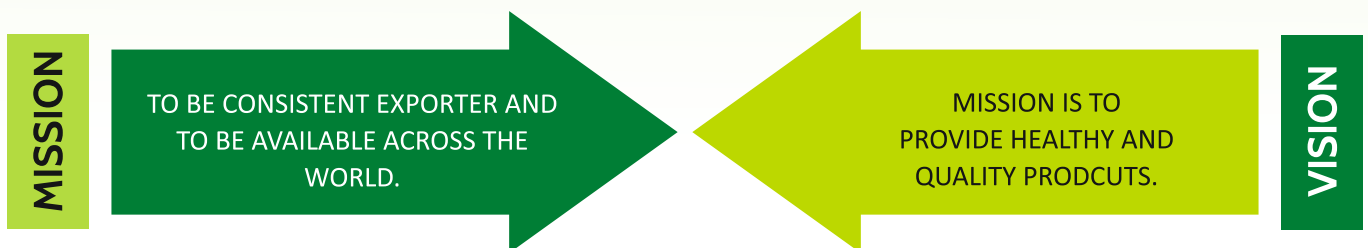

We started our venture in 1990 with the name of Parent company **Chintamani Agro & Sumit Garden**. It's been almost 30 years we are doing our business consistently in Raisin's processing & its Supplying. The founder of this Company is **Mr. Mahendra Badjate & Rajendra Badjate**. Further, the the administration and management of Business is professionally managed by Mr. Sumit Badjate.

We have achieved our extensive expertise in the arena of Processing of Raisins. We chose this business as Nashik was heavenly gifted with good climatic conditions for Grapes. Nashik Produces nearly 50% production of grapes of India. Also considering the fact, it produces best quality raisins. Nashik is also called called as Grape Capital of India.

In order to expand & scale up our business from domestic market to international market, we as a recent generation started a New Company called **Badjate Exports**. This Company works under the leadership of **Mr. Sumit Badjate, Mr. Ankit Badjate & Mr. Samyak Badjate**. We at Badjate Exports satisfy all yours needs of products ranging from the type of Raisins, Onions, Maize to Turmeric.

We provide almost all types of Raisins to cater the needs of our client. We work according to our customers requirement. Our Company is based on a vision to provide a client the best quality product so that the relationship between us last eternally.

MISSION & VISION

Why Us ?

- We procure our products from farmers to provide you at rockbottom price.
- We are know for reliability in the market for last 25 years.
